MEMBERSHIP FREQUENTLY ASKED QUESTIONS

How long does it take to receive my membership card?

You will receive a digital membership card within 48 hours of joining. If you have not received your digital membership card, please contact Membership at 201.253.1439 or members@lsc.org. You can request a paper membership card on your visit.

How do I visit the Science Center without my membership card?

Please bring a photo ID which verifies your address on file to the Box Office.

How do I update my address & contact information?

Please contact Membership at members@lsc.org or 201.253.1439

Can a caregiver use my membership card to bring my child to the Science Center?

Our Family and Family Plus level memberships enjoy the caregiver and grandparents' benefit. The caregiver is a named adult (18 or older) or grandparent who will escort your child(ren) to Liberty Science Center when

you aren't present.

The designated caregiver or grandparent **must be named on your membership account** prior to the visit. They should reserve tickets in advance and/or be prepared to present the **membership card** along with a valid **photo ID** that matches the name of caregiver identity on file.

This benefit is intended to offer flexibility to families while ensuring the safety and security of all visitors. To designate or update a caregiver or grandparent on your account, please contact members@lsc.org.

Additional Grandparent/Senior Benefit Family level memberships may visit with seniors or grandparents in addition to two adults, so long as your total party does not exceed your membership level. For example, in a Family Membership, two parents may visit with a grandparent and up to three children. Using the caregiver and grandparent's benefit is easy! Send an email to members@lsc.org with the full name of the caregiver and/or grandparents as shown on their ID. When making a timed-ticket reservation, please use your member account and forward the digital tickets to the caregiver or grandparents.

What are the parking fees?

Parking fees are \$7.00 during the day for cars and vans for all guests, including members.

Do members wait in line at the Box Office?

Members do not have to wait in the general admission queue. However, they must check in at the entry area upon arrival with their digital membership card or reserved tickets.

May I visit Liberty Science Center first and then convert my admission to a membership?

Yes! You may apply the general admission portion of your purchase toward a membership for up to two weeks from the day of your visit. You can present your receipt at the Box Office, visit lsc.org/upgrade, contact membership at 201.253.1439, or email us at members@lsc.org.

May I bring a guest on my membership?

Yes, so long as one named member is present and the group does not exceed the total number of people covered by your membership. A Family Membership, for example, covers two adults and four children. Any additional adults or children must purchase regular priced exhibition tickets.

Do I have to show ID if I am a member?

Yes, you should be prepared to show a photo ID in addition to your membership card.

May I lend my membership card to a friend or family member?

Memberships, membership benefits, and membership cards are not transferable and cannot be shared between households. Memberships are valid only for the membership holder whose name appears on the card. When visiting, one member from the membership address must be present. Liberty Science Center is a nonprofit organization and relies on the support of its members. Transferring membership privileges violates the intention of membership.

May I use my membership to bring my church, scout troop, or other type of group?

No. Special group rates would be applicable in these circumstances. Please contact groups@lsc.org for information.

Can membership privileges be revoked?

We reserve the right, in our sole discretion, to refuse entry and or membership to a member and to revoke a membership without refund if a member behaves in a threatening or abusive manner toward any person, damages or threatens to damage any of the exhibits, or abuses membership privileges.

What are the tax benefits?

Liberty Science Center is a 501(c)(3) nonprofit organization. Your contribution is tax-deductible less the fair market value of goods and services provided. The amount of membership dues that is deductible for federal income tax purposes is the amount paid minus the fair market value of benefits provided in return (whether it is used or not). The estimated value of goods and services at each level are:

\$85 Individual level: \$6

\$165 Duo level: \$12

\$255 Family level: \$36

\$375 Family Plus level: \$48

\$575 Friends Circle level: \$60

If I renew early will I lose the months left on my membership?

No, you will not lose any time on your membership if you renew early as the new membership will begin when your current membership expires.

How do I redeem my experience passes?

- In person: Visit the Membership Information Desk, Box Office or other onsite ticketing kiosk
- Phone/Email: 201.253.1439 or members@lsc.org.

Please note that once passes are generated, they are not eligible to be returned to your account if you are unable to make it. Passes are for one-time use and will expire with your membership.

Is my membership good for a calendar year, or for a full year from time of purchase?

Your membership is valid for one year from the date of purchase.

May I buy a household membership for my workplace?

No, memberships are for households. We do have a corporate membership option that will allow your employees to have free entry into the Science Center. Learn more [here](#).

May I use my membership for entrance to other museums?

Liberty Science Center participates in the Association of Science and Technology Centers (ASTC) Travel Passport Program which means your membership card entitles you to free general admission at more than 360 Science and Technology Centers around the world. This does not include museum store discounts and other benefits associated with membership unless stated otherwise. For a list of participating centers and for admittance policies, please visit ASTC's website: astc.org/passport. Most participating centers will allow only up to two adults and up to four children, even if you have a Family Plus membership with Liberty Science Center.

You must have your valid membership card and a photo ID at the time of your visit or you will be denied free admission.

Liberty Science Center abides by the Association of Science and Technology Centers' 90-Mile Rule which states:

1. If your home address is within 90 miles of Liberty Science Center (Jersey City, NJ) and you are a member of another institution, that membership will **not** be honored at Liberty Science Center.
2. If you live farther than 90 miles from Liberty Science Center, but your membership is with an institution that is within 90 miles of Liberty Science Center, it will **not** be honored here.
