

Premium Exhibition is now open!

4th Floor

Titanic: The Artifact Exhibition

See authentic artifacts and a recreation of the spaces on board history's best-known passenger ship. See it before it goes - this exhibit's last day is September 1.

\$8.00 member-priced tickets available at Box Office or at the exhibition entrance on the 4th Floor. Members may also redeem their Experience Passes.

Café and Store Hours

- The Cosmic Café is open tonight from 5:30 – 8:30 pm.
- The Gift Shop is open until 9:00 pm

Member Reminder: Member Mornings

LSC opens at 9:00 am on the second full weekend of the month so members can get a head start on their visit. Join us for upcoming LSC Member Mornings, July 12 & 13 and August 9 & 10. Your day at LSC can start an hour before general admission guests arrive.

SAVE THE DATE

Mark your calendar for the biggest member event of the year! Our spooktacular Halloween Member Night will be Friday, October 24.

Special Membership Renewal Offer - Tonight Only!

Renew your membership **tonight and get a** full year of membership when your current membership expires. **PLUS**, we will give you two guest passes to share with family or friends (that's a \$72 value!) **AND** receive an LSC water-resistant Beach Mat with carrying handles free! Visit the Membership Information Desk or Box Office before you leave to renew and take advantage of this special Member Night offer tonight.

Thank you for your membership support!

All activities and times are subject to change.

BASF Kids' Lab

Pavilion, 2nd Fl

5:30 - 8:30 pm (or until supplies last)

Bubbles, Bubbles, Everywhere!

Explore chemistry during this hands-on workshop
Did you know that bubbles are made from chemistry? In this experiment, we will make our own bubble solution and explore the scientific properties of bubbles.

Weston Family Lab for Earth and Space Exploration

2nd Fl

Science on a Sphere is open!

SOS was invented by the National Oceanic and Atmospheric Administration (NOAA) and the six-foot illuminated sphere shows images from NOAA and NASA observations, bringing earth and space science vividly to life. Drop by to explore Earth, its oceans and the other planets and moons of our solar system. **Located directly in front of the Planetarium.**

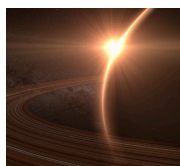

Free Movie Tonight!

Legends of the Starry Realm

Showtime: 6:15 pm

This full-dome planetarium show brings classic celestial legends to life, blending ancient myths with modern storytelling and stunning visuals. **Pick up your free ticket at the Membership Information Table.**

Space Trip: To Infinity and Beyond

Show Time: 7:15 pm

Purchase tickets at Box Office

Embark on a journey into deep space. Ride a roller coaster on Mars, voyage through the rings of Saturn, travel to the heart of a nebula, and visit the realm of the galaxies.

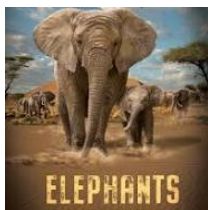

Lift Off!

Show Times: 8:15 pm

Purchase tickets at Box Office

Live planetarium show featuring breathtaking rocket launches and the spacecraft that help us better understand our amazing universe. We'll explore some of the most beautiful sights including a flight through the 'Pillars of Creation' nebula.

Movie Premiere Members see it first!

Elephants: Giants of the Desert

Show Times: 6:30 pm and 8:30 pm

Purchase tickets at Box Office

Follow the journey of an elephant baby, Little Foot, as she learns how to elephant from her family across Africa's Namib Desert.

T. REX 3D

Show Time: 7:30 pm

Purchase tickets at Box Office

The true story of the young fossil hunters who made the discovery of a lifetime when they spotted a large fossilized leg bone on a walk on public lands in North Dakota! This 3D film intercuts the remarkable fossil dig with cutting-edge computer graphics that bring the iconic T. rex to life.

British Swim School

Top of the Grand Staircase 2nd Fl

Become a 'Safer Swimming' Family! Join British Swim School for a splash of safety and fun! They will be sharing life-saving water safety tips, promoting swim survival skills, and giving away fun goodies to help your little ones stay safe and confident in and around the water. Plus, Liberty Science Center members will receive access to a *special promotion* just for attending!

A Dose of Gross

Governors Hall, 2nd Fl

Time: 6:15 pm

Explore the science behind the noisy, stinky, and totally normal ways our bodies let things out.

Musical Chairs

Governors Hall, 2nd Fl

Time: 7:00 pm!

Be there or be chair! Don't miss LSC's first-ever epic game of musical chairs featuring our very own throne. The last one sitting will be crowned the winner! Children only please!

The Home Depot

Weston Pavilion, 2nd Fl

Join the staff of Home Depot and build a planter, baseball game, or a bird feeder as they showcase their children's workshops.

Space and supplies are limited. Recommended for ages 5+

Scat Scavengers

Weston Pavilion, 2nd Fl

Time: 6:45 - 7:15 pm

Everybody poops and that poop has a story to tell! Learn the art and science of identifying animal scat.

Sense-sation Station

Weston Pavilion, 2nd Fl

Time: 7:45 - 8:15 pm

Dive nose-first into the science of stinky smells and funky flavors! Explore how our senses of smell and taste work together, and even test your own sensory reactions to strange (but safe!) samples.

Math Isn't Gross!

Weston Pavilion, 2nd Fl

Step into the Math Zone, where math is anything but ordinary! Solve shape-shifting puzzles, create stunning patterns with math-inspired art, and test your luck with games of chance in this interactive adventure.

Gross Up Close Story Time

Wild About Animals, 3rd Fl

Times: 6:00, 6:30, 7:00, and 7:30 pm

For our Young Learners, a story time with a weird, wild, and wonderfully disgusting twist!
