

Entertain and educate your guests as no other venue can, with unique and engaging science programs!

LIVE SCIENCE

Our Science Educators put on quite a show! Topics include rocket science, green energy, health and fitness, the states of matter, electricity, and more.

POCKET SCIENCE

Roaming scientists perform one-on-one mini experiments to delight your guests. Choose from lots of exciting science and technology topics.

PLANETARIUM OR MOVIE TICKETS

Purchase theater tickets for your guests at a discounted rate.

SOUVENIRS

Let us put together science-to-go gift packs from our store for your guests.

PARKING

For daytime events, consider buying parking vouchers ahead of time to speed entry and exit. Our convenient on-site parking lot is owned and operated by the State of New Jersey; LSC does not receive revenue from it.

SCAVENGER HUNT

Send your guests on a quest to find items and locations throughout the building.
