

SWEEPING VIEWS, UNMATCHED ELEGANCE

The Robert Wood Johnson III Tower

The glass pyramid atop Liberty Science Center's 170-foot-high tower encloses one of the region's most impressive venues for a private event. The newly renovated Robert Wood Johnson III Tower includes a dramatic state-of-the-art lighting system, floor-to-ceiling amenities upgrades, and all-new interior decor. Enjoy panoramic views of Liberty State Park, the Statue of Liberty, Ellis Island, and Manhattan. Accommodates up to 70 guests for a seated dinner or 80+ for a cocktail reception.

VIEWS: 360 DEGREES
CAPACITY: 80 RECEPTION / 70 SEATED
