ASTC Passport Program Participants
 January 1, 2026 – April 30, 2026

The ASTC Travel Passport Program is a reciprocal admission program that offers a travel benefit to the members of Passport Program participating science centers or museums.

As Liberty Science Center member, you are eligible for benefits such as free **GENERAL ADMISSION** when you travel outside of your local area to the other participating institutions listed here.***This list is annotated to remove museums less than 90 miles from Liberty Science Center.**

EXCLUSION
 Science centers and museums located within 90 miles* of the science center/museum where the visitor is a member AND of the visitor's residence.

These benefits DO NOT include free or discounted admission to special exhibits, planetarium, and larger-screen theater presentations, nor do they include museum store discounts and other benefits associated with museum membership unless stated.

BEFORE YOU TRAVEL CHECKLIST

- ✓ **Review the updated Passport Program policies and make sure that your membership level is eligible for reciprocal admissions.**
- ✓ **Make sure the science center/museum you are visiting is not excluded.**
- ✓ **Review that science center/museum's admittance policy for individual and group memberships.**
 - Call before you visit to confirm your Passport Program benefits.
 - Individual memberships are reserved for the cardholder and group memberships are memberships for more than one individual.
- ✓ **Pack your ID (or other proof of residence).**
 - Admissions staff reserve the right to request proof of residence for benefits to apply.
 - Passport Program venues requesting proof of residence are designated (**ID Required**).
- ✓ **Pack your membership card.**
 - Passport Program venues are not required to grant benefits to visitors without cards.
 - There is no universal database with all Passport visitors' member data for admission staff to reference.
