Tonight Only! Membership Renewal Offer

Renew your membership **tonight!** You get a full year of membership AND we'll give you two guest passes to share with family or friends. That's a \$72 value! Visit the Membership Information Desk or Box Office to renew before you leave tonight and take advantage of this special Member Night offer. Remember: This valuable offer is valid only this evening!

Use your member benefits

This month, your membership offers free general admission to:

- Newark Museum of Art - March 15
- New York Hall of Science - March 21
- Brooklyn Children's Museum - March 22

Don't forget your digital membership card and identification. Visit lsc.org/members for more information.

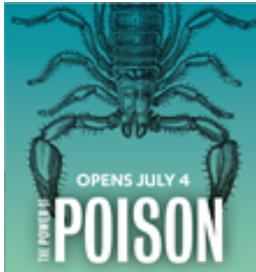

Member Mornings

LSC opens at 9:00 am on the second full weekend of the month so members can get a head start on their visit. Join us for our upcoming Member Mornings on March 14 and 15 and April 11 and 12. Your day at LSC can start a full hour before general admission guests arrive.

Save the Date for Tea Time!

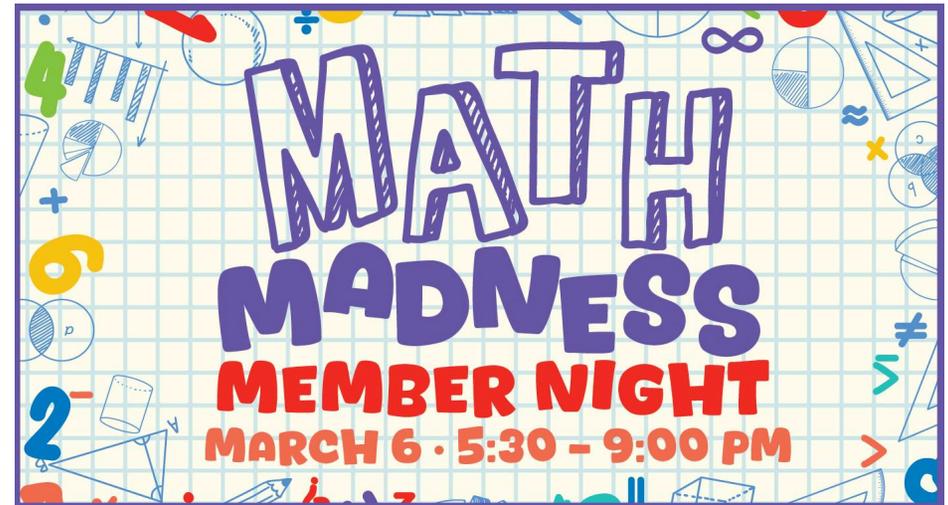

Our first member-only Members Tea Party will be held on April 25 and April 26. Information and registration will be announced in an upcoming email.

New Exhibitions Announcement

Thank you for your membership support!

LIBERTY SCIENCE CENTER

All activities and times are subject to change

Math Madness

Meet the Experts 6:00-8:30 pm 1st Fl, Center for Learning & Teaching

Whether you're building, designing, cooking, or experimenting, the right measuring tool makes all the difference! Learn about the most essential measuring tools and how they help us achieve accuracy every day, and you'll have a chance to win a prize from Home Depot!

Jennifer Chalsty Planetarium 2nd Floor

Candyland in Space

Show times: 6:15 and 7:15 pm

Purchase tickets at Box Office

An interactive adventure in which the audience members team up and compete in a game of Candyland (or, in this version, the Milky Way) projected onto the planetarium's giant dome.

Phases and Eclipses

Show time: 8:15 pm

Purchase tickets at Box Office

In this program, we'll explore the reasons for the phases of the moon in an interactive demonstration and explore the specific moon phases that create lunar and solar eclipses.

We'll then preview the big eclipses of summer 2026.

Joseph D Williams 3D Science Theater 2nd Floor

T. REX 3D

Show times: 6:30 and 8:30 pm

Purchase tickets at Box Office

The true story of the young fossil hunters who made the discovery of a lifetime when they spotted a large fossilized leg bone on a walk on public lands in North Dakota! This 3D film intercuts the remarkable fossil dig with cutting-edge computer

graphics that bring the iconic T. rex to life.

Oceans 3D

Show time: 7:30 pm

Purchase tickets at Box Office

Leap with dolphins, meet fascinating creatures in the coral reefs, and explore mysteries of the abyss in this extraordinary 3D journey through our oceans.

Activities
