

Activities: 6:00 – 9:30 pm, unless otherwise noted (cont'd.)

Doom Zoo **3rd Floor, Communication**

Are you ready to face your fears? Enter the horrific workshop of Doctor Krieger von Crimson, a surgeon obsessed with blurring the line between man and animal. His domain imprisons his tormented experiments, nauseating mutants you have to see to believe. But beware, he is always on the lookout for his next "project." Prepare for petrifying scares and blood-curdling screams should you dare to step inside.....THE DOOM ZOO! **Recommended for ages 13+.** *Due to the intensity of this attraction, it is NOT recommended for guests under the age of 13. We are not kidding!*

Flora the Fortune Teller **Energy Quest, 4th Floor**

Have you ever wondered what your fortune will be? Want to know how much candy you'll get this Halloween? Well, Flora—LSC's resident fortune teller—returns to help answer these and many other questions about your future. Come visit Flora to have your fortune told, if you dare!

Member News and Notes

- Café Skylines is open tonight from 5:30 – 9:00 pm
- Connections: The Store is open until 9:00 pm tonight

Science Camp at LSC: Fall Session, Nov. 7 - 8 **PSE&G Court, 1st Floor**

Registration now open! Does your family have a break from school during the NJEA conference, Nov. 7 - 8? Sign up now for LSC Science Camp's **Fall Camp 2019!** Students in grades 1-5 can spend two days at the Science Center exploring technology, engineering, and physics concepts in our great new premium exhibition, *Angry Birds Universe: The Art & Science Behind a Global Phenomenon*. It's going to be a blast! Members always receive the best rate. Stop by our table in PSE&G Court, visit lsc.org/camp or call [201.253.1380](tel:201.253.1380).

Enter Tonight's Raffle by visiting the table near the first floor elevator. One entry per group/family and winners posted in PSE&G Court at 8:40 pm.

Double Discount Days at Connections: The Store Holiday shopping season is almost here! Members enjoy a 20% discount on December 7, 8, 14 and 15.

Our next **Member Morning** is in *Eat and Be Eaten* on Nov. 9 & 10, 9:00 – 10:00 am.

Special Thanks

Thank you for your membership!

Jennifer Chalsty Planetarium and LSC Giant Dome Theater 2nd Floor

Purchase tickets at Box Office - \$2.50 each

Monsters of the Night Sky (30 minutes)

Show Times: 6:00, 7:30 or 9:00 pm

Explore the astronomical origins of Halloween in LSC's new live planetarium show! Discover the roots of this spooky modern holiday, and explore creepy things in the night sky, from the Witches' Head nebula to the eerie power of the full moon. We'll also find constellation monsters in the sky, like Draco the Dragon!

Boo! A Halloween Laser Show (30 minutes)

Show Times: 6:45, 8:15 or 9:45 pm

Rock out to classic songs from the spooky season in our Halloween laser show! Enjoy hits from The Rocky Horror Picture Show and Ghostbusters, plus classics like "Monster Mash," in this family-friendly show.

Joseph D. Williams 3D Science Theater 2nd Floor

Purchase tickets at Box Office - \$2.50 each

OCEANS: Our Blue Planet (22 minutes)

Show Times: 5:45 and 7:55 pm

A global odyssey through the largest and least explored habitat on Earth. From the coastal shallows to deep and mysterious worlds, discover untold stories of the oceans' most astonishing creatures. The journey into the blue begins at its surface as dolphins leap and slice effortlessly through the water's surface.

Haunted House (13 minutes)

Show Times: 6:30, 7:00, 7:30, 8:30, 9:00 or 9:30 pm

Get spooked in our 3D movie, *Haunted House 3D*! Things are not as they seem in this house... did those toys move? Did something just brush by you? Don't miss this 3D adventure for the Halloween season! **Recommended for ages 9+**

Weston Family Lab for Earth and Science Exploration 2nd Floor

Our Dynamic Earth

6:00 – 9:30 pm

A continuous drop-in experience this evening. No ticket necessary.

Live Show Center for Learning & Teaching, 1st Floor

Pumpkin-Smashing Subzero

Show Times: 6:30 and 7:30 pm

Join us for a science educator presentation on liquid nitrogen and how it can change matter from gas to liquid to solid in a Halloween special!

Activities: 6:00 – 9:30 pm, unless otherwise noted

The Spider Maze (weather permitting) **1st Floor, Outside Main Entrance**

Join us and some of our spider friends for a maze of epic proportions. Don't worry: Our spiders won't jump or frighten you, but this maze *will* help you learn about these eight-legged critters.

Scarecrow Hay Maze (weather permitting) **1st Floor, Outside Main Entrance**

Made especially for our young learners. Navigate the hay-bale maze without any spiders!

Bat Lab

1st Floor, Skyscraper

Test bat wings and flight inside the Wind Tunnel. Guests play with scale toys then try on wings of different kinds and see what happens.

Zombie Attack VR Game **6:30 – 8:30 pm**

1st Floor, PSE&G Court

Zombies have attacked LSC in this customized Virtual Reality game. Use our VR goggles and see if you can save LSC. You don't have much time!

Break a Move at the Halloween Ball

2nd Floor, Governors Hall

Show off your Halloween dance moves – you might be joined by a *T. rex*!

Bug Buffet

Top of the main staircase, 2nd Floor

Insects can be raised using fewer resources than traditional livestock and 80% of the world's cultures eat insects. Come taste a critter with us!

Pepper's Ghost Illusion Chamber **6:30 – 9:00 pm** **3rd Floor, Eat and Be Eaten**

Step into the Pepper's Ghost Illusion Chamber and turn yourself into a ghost! Using some simple principles of physics, you will amaze your family and friends by appearing transparent. Can they figure out the illusion – or will they think you are truly a ghost?

Eekology

7:00 pm

3rd Floor, Eat and Be Eaten

Learn about all kinds of creepy crawlies, like spiders and other insects. Guests of all ages are invited to learn about what makes these insects so important in our world. Meet these live creatures in this seasonal animal encounter.

Are you My Mummy?

3rd Floor Microbes Rule! Lab

Guests go through the scientific process of artifact recognition and study by determining whether the mummy we have on display is real or fake because that is a hot topic in artifact collections

Bloody Delicious: Young Learner Blood Lab

3rd Floor Microbes Rule!

Our young guests get to make a concoction of all things needed to make blood and will simulate a recipe for making blood in preparation to "feed" Dracula.
